Fun in July!

— Rotary Programs —

June 6 - Mona Rutger of Back to the Wild shared the need for community awareness of when not to interfere with wildlife in her fascinating program. She receives over 70 calls per day. Educational programs have been presented to 53,000 young people annually. Disabled animals are used for education. Though Back to the Wild must comply with federal regulations, there is no federal or state funding. The center exists solely on public donations. Any help or financial support would be appreciated.

June 13 - Rotarians Ron Stoner and Jim Schrader

of the MESA program presented an update of last year's activities. Approximately 20 shipments of containers went out and all the beds from Admiral's Point have been shipped. Half the beds went to Shreveport after Hurricane Katrina. The storage facility will be located in Waterville and will double the amount of space available. Ron will be retiring from MESA shortly - Thanks to Ron's efforts the MESA program has grown dramatically. Great job!

June 27 - Preparations for River Fest were made. Deep fried corn-on-the-cob will be debuting and we

will be using pre-cut fries - no more messy cutting!
 New this year will be a timer for cooking, money
 aprons for those selling drinks and a heat lamp.
 We've added a storage trailer to the operation, too.

Four Way Test of The Things We Say and Do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
