Programs

February 6 - Committee meetings were held

February 22.

February 13 - Keith Peacock of NASA Plum Brook presented an update on the decommissioning of the nuclear reactor facility. The slides showed before, during and after shots of the facilities. The estimated completion date for the field work is 2010. The estimated date for the license termination and site restoration is 2011. The area will ultimately be a safe open green field as part of a buffer zone. At this time, over 985 of the materials have been removed.

February 27 - Club meeting was led by incoming President Doug. He asked for ideas for speakers and invited club members to present programs. Doug is exploring other methods for the scheduling of the weekly program speakers. Plans are underway for the Rotary Festival Weekend, August 10 - 12. The blue grass bands have been booked but organizers are looking for rib vendors as several of those from previous years are not available on the new weekend. Doug suggested members take a look at the club website www.huronrotary.org and forward any comments to him.

February 20 - Jackie and Dave Clark spoke about their News-2-You newspaper available in three progressive reading levels in print and online. News-2-You is used in schools across the country and their office is located in the former Lindsley's store.

Peggy Miller of Cancer Services of Erie County announced the fundraiser lunch to be held at the Outback Steakhouse on Thursday,

Announcements

Rumor has it that when Arby's sponsored NSACAR driver Matt Kenseth wins a race, curly fries are free on Mondays! Guess who we're all rooting for now, Pres. Dave!

Rotary Foundation Minute

Reminder: Donations will be made to the Rotary Foundation when a Rotary MasterCard is used.

Mark H. shared with club members the grant programs available through the Rotary Foundation which are funded through Paul Harris Fellowship sustaining member donations.

- District Simplified Grants: A tool for Rotary districts to support short-term, humanitarian projects that benefit the community.

- Volunteer Service Grants (formerly Individual Grants): Subsidize travel of individual or small groups for qualified international humanitarian service in Rotary countries for periods up to 60 days.

- Matching Grants: Support international service projects involving Rotary clubs or districts in two or more countries.

- Health, Hunger, and Humanity Grants (3-H): Awarded to fund long-term, self-help, and grassroots development projects which are too large for one club or district to implement on their own.

- Blane Community Immunization Grants: Help clubs and districts in the United States address disease immunizations in their local

community.

- Disaster Recovery: Are collected on a temporary, restricted basis to support RI's disaster recovery efforts, focusing on long-term reconstruction.

Congratulations

Bob T. - a seven time Paul Harris Fellow!

Steve - 5 years in Rotary!

Martin - 2 years in Rotary!

Four Way Test of the Things We Say and Do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
