Programs

April 3 - Amy Roldan of Big Brothers and Big Sisters enthusiastically spoke about the "best job I've ever had... the best year of my life" in her year as Executive Director. She highlighted BB&BS three programs: community service that matches kids 1:1 with volunteers, site programs for kids on the waiting list and school based programs currently in Sandusky and Perkins. Amy stressed the ways in which BB&BS could work with the Club to help address the Club's concerns about the youth of Huron.

April 10 - Burner Crew of Key Bank shared mega trends for the northern Ohio, southern Michigan and northern Illinois corridor. The rust best is poised for a transition to medical and bio technology through the development of nano technologies.

April 17 - Club committees met. Heather asked for food suggestions.

April 24 - Rotarian Bob Spears presented "scientific Basis for Global Warming". Bob shared the work of the scientists who have been analyzing ice cores to track temperature history back 100,000 years. He spoke about increased CO2 levels, disappearing glaciers, rising oceans and dropping lake levels.

Announcements

At the April 24 meeting, a check for \$450 for the purchase of meats was presented to Rev. Tom Holzaepfel of the Huron Food Pantry. The donations by club members were matched by the Board. The meats will be purchased through the Second Harvest Food bank. The Huron Food Pantry serves Huron, Berlin Heights and surrounding areas.

Who was that smooth crooner who sang a solo "Happy Birthday" to Bob S., Wayne and Mark H?! Do we have the next Frank Sinatra in our very own Club?

Congratulations

To Bob Speers - 4 years in Rotary!

Rotary Foundation Minute

Bob E. spoke of the development of his passion for Rotary. He joined in 1982 and said that during the 1980's Paul Harris Fellowships were earned and

awarded by the Club. During those years polio plus became a Rotary priority. In 1990 Bob served as Club President and subsequently was awarded a Paul Harris Fellowship. He found, however, that Rotary began to mean more - he was finding he was meeting more people and enlarging his sphere of influence. During 1995, a Paul Harris was awarded to his wife, Christy. Bob has come to understand the power of this non-political organization and is looking forward to the next international project.

Condolences

Our heartfelt condolences to Lowell and his family in the death of his daughter-in-law Denise.

Upcoming

June 17 - 20 - Rotary International Conference in Salt Lake City

July 13, 14 and 15 - Huron Riverfest

August 10, 11 and 12 - Huron Rotary Festival

Thoughts to ponder...

- The irony of life is that, by the time you're old enough to know your way around, you're not going anywhere.
- Blessed are those who can give without remembering and take without forgetting.
- Frustration is trying to find your glasses without your glasses.
- I dialed a number and got the following recording:
"I am not available right now, but thank you for caring enough to call. I am making some changes in my life. Please leave a message after the Beep. If I do not return your call, you are one of the changes."
- I was always taught to respect my elders, but it keeps getting harder to find one.
- Every morning is the dawn of a new error.
- Aspire to inspire...before you expire.

Four Way Test of the Things We Say and Do

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
